

ARCHON
DOORS

At Archon Doors, we specialize in distributing high-quality door slabs, serving door shops and fabricators across the US. Whether you're looking for a single slab or a full container load, we offer flexible shipping solutions to meet your specific needs.

Our in-house prep shop is equipped to provide custom door preparations, ensuring every slab arrives ready for your fabrication process. From hinge and bore prep to glass cutouts, specialty locks, and custom sizing, our experienced team is committed to precision, reliability, and fast turnaround times.

With a focus on quality, consistency, and customer service, we aim to be a trusted partner in every shop we serve.

Global Partnership

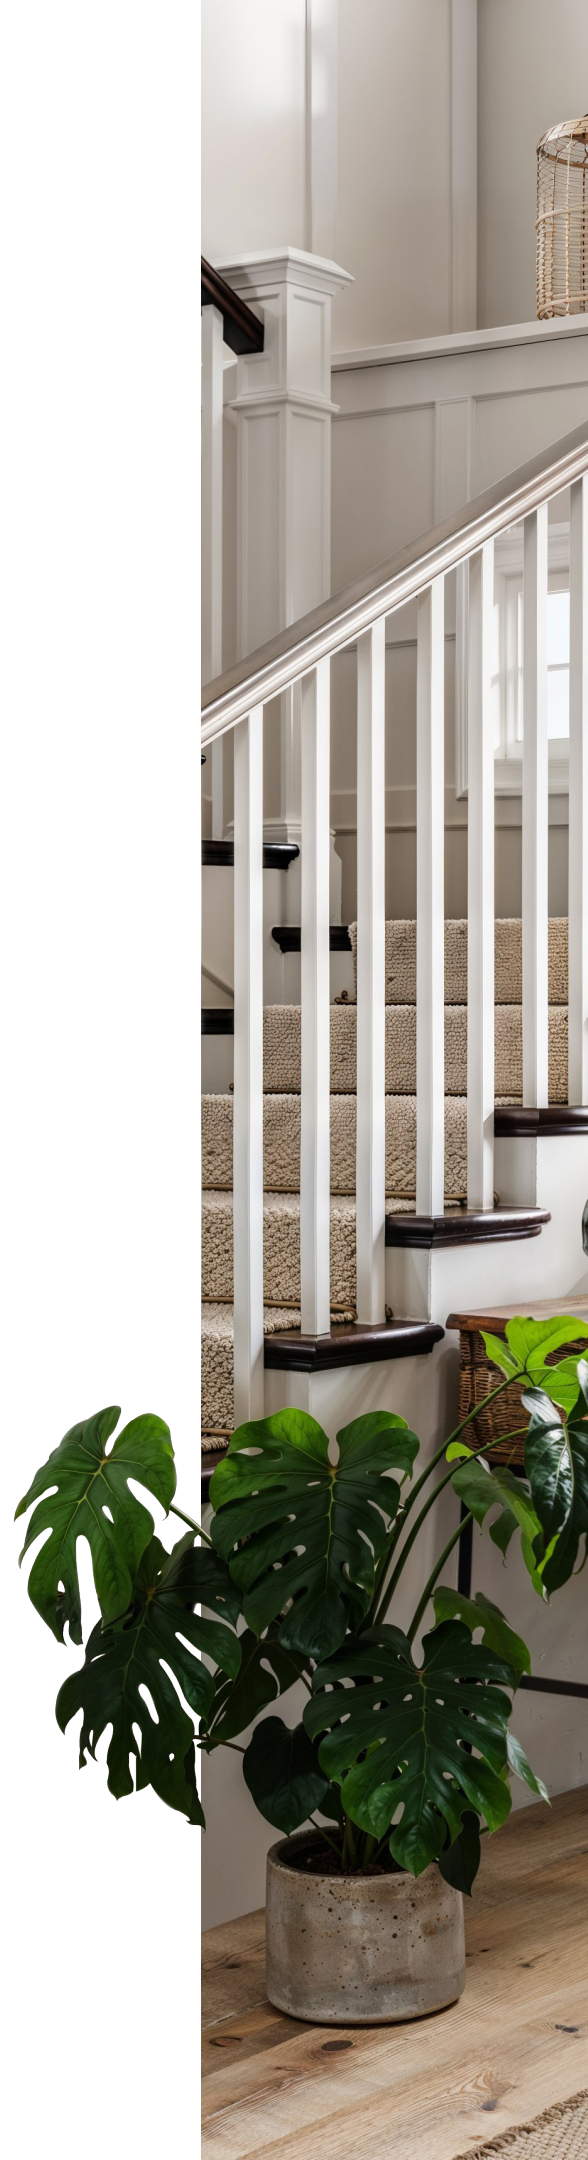

Archon Doors has partnered with DoorCo to bring the best-manufactured doors and insulated glass inserts for the US door industry.

Global Innovation

Archon Doors with DoorCo develops, designs, and partners with industry leaders to bring new ideas, designs, products, and solutions to the door industries across the globe.

Global Standards

Too many times, we see products manufactured very poorly and by cheap standards. Archon Doors, with their strategic partnerships, are comparable to a higher quality that beats out the rest.

Door colors shown in this brochure should be used for guidance only. We have made every effort to match the colors and stain you see in the brochure so it's as close as possible to our paint when applied to the doors. Due to the nature of the product it is applied to, there is sometimes a difference between them which we cannot avoid. The color, intensity and sheen level may differ from the paper print version and we do not accept any liability for this for whatever reason. To ensure that you are getting the right color on your door, you can order color swatches from your supplier.
